### Directions To LPD From Ipswich A12 (South).

Follow the A12 from Ipswich to Lowestoft. Bypassing Kessingland, you will pass *Pontins Holiday Camp* on your right-hand side, and further on a tall *water tower* on your left-hand side as you start to pass through Pakefield.

Pass the *Tramway Hotel* on your right-hand side and continue to follow the A12 towards Lowestoft town centre (now signposted A12 Great Yarmouth). Entering a long straight stretch of the one-way system, continue through two sets of traffic lights (hold-ups likely), eventually passing *KFC* on your right-hand side.

You will reach a third set of traffic lights just prior to the *harbour bridge* crossing. Stay in the left-hand lane on your approach.

The harbour bridge has three lanes with filtering signals - it is probably safest to remain in the left-hand lane until you are over the bridge. Immediately after, you will need the right-hand lane in order to bear right past *McDonald's Restaurant* into Suffolk Road. Continue towards the *Fish Docks* taking then the left-hand lane and bearing left into *Battery Green Road*.

Follow Battery Green Road passing *Somerfield* multi-storey car-park on your left-hand side until you reach a large roundabout. Here you will require the third exit, which is additionally signposted 'Beach Industrial Estate' and next to the *John Grose Ford* dealership, in order to enter *Whapload Road*.

Continue along Whapload Road past *Christ Church* on the left. After a short distance you will see the start of the large *Bird's Eye* factory on your right-hand side. Continue along until you see *Waveney Tyre & Exhaust Centre* on the left (large yellow sliding doors). Beyond this is a small private car park and then *Mariners Score* is the next (narrow) turning on your left just before *Gapton Car & Van Hire*.

*LPD Electronic Services Ltd* is located at the end of Mariners Score.
