Regd Office: Lothing Villas 101 Bridge Road Oulton Broad Lowestoft Suffolk England Regn No 2341197

### Directions To LPD From Beccles A146 (West).

Follow the A146 from Beccles to Lowestoft. Remaining on the A146, proceed through Carlton Colville towards Oulton Broad until you reach a set of traffic lights diagonally opposite *The Flying Dutchman* public house.

Continue straight on over the small railway bridge until you reach a roundabout. Here you will require the second exit in order to join *Victoria Road* and follow the A146 into Lowestoft.

After passing *Victoria Road Surgery* on your right-hand side, take the first exit at the mini-roundabout in order to effectively continue travelling straight on. At the second mini-roundabout, take the first exit into *Waveney Drive*, still following the A146 towards the town centre. You will then pass on your left-hand side first some large timber sheds and still further on, *Riverside Business Park*.

At the next roundabout, take the first exit into *Belvedere Road* still following the A146 (looking to your right you will see a *Shell Garage*). You will then pass *Jewson* on your right-hand side before reaching a set of traffic lights joining the main A12 into Lowestoft and just prior to the *harbour bridge* crossing.

The harbour bridge has three lanes with filtering signals - it is probably safest to remain in the left-hand lane until you are over the bridge. Immediately after, you will need the right-hand lane in order to bear right past *McDonald's Restaurant* into Suffolk Road. Continue towards the *Fish Docks* taking then the left-hand lane and bearing left into *Battery Green Road*.

Follow Battery Green Road passing *Somerfield* multi-storey car-park on your left-hand side until you reach a large roundabout. Here you will require the third exit, which is additionally signposted 'Beach Industrial Estate' and next to the *John Grose Ford* dealership, in order to enter *Whapload Road*.

Continue along Whapload Road past *Christ Church* on the left. After a short distance you will see the start of the large *Bird's Eye* factory on you right-hand side. Continue along until you see *Waveney Tyre & Exhaust Centre* on the left (large yellow sliding doors). Beyond this is a small private car park and then *Mariners Score* is the next (narrow) turning on your left just before *Gapton Car & Van Hire*.

*LPD Electronic Services Ltd* is located at the end of Mariners Score.
